FULFILLMENT SERVICES HOW IT WORKS

SHIP YOUR ORDERS TO OUR WAREHOUSE

Your inventory arrives at our warehouse where we are fully equipped with loading docks and can handle any size container.

Our staff unloads your items safely into our warehouse, and update your inventory for you

1

2

YOU SELL TO YOUR CUSTOMERS

When your customers place orders, you login to our secure system and log the order

You enter the customer information along with the order details

3

WE DELIVER TO YOUR CUSTOMERS

We call the customer and schedule the delivery at a time that's convenient for them

The truck is loaded and the order is delivered safely to your customers

4

YOU ALWAYS KNOW WHAT STOCK YOU HAVE

As you log your customer orders in our system, your inventory is immediately updated, showing you exactly what you have in stock at all times

E-mail notifications go out immediately when your stock reaches a low threshold, reminding you to place orders with your distributors
